

Creating summer fun in Davidson since 1961

Dive In to a New Year!

If 2015 is anything like last year, we have a great summer ahead! The "Superstar" of last summer was the new diving board — we kicked off opening day with record high attendance, free pizza from Davidson Pizza Co, and a spectacular **dive** show! I believe the adults enjoyed the diving board more than the kids. Feedback was overwhelmingly positive for the new dive and swim teams, so we look forward to building on that success.

We are enjoying last year's improvements of new paint for the guard/bath house, landscaping, new water fountain, renovated guard room, new 16' Duraflex aluminum diving board with 1m stand, extension of the pool deck and fencing around baby pool.

Despite the chill, **NOW** is the time that The Swimming Hole starts gearing up for the warm months right around the corner. Much has already happened behind the scenes this winter! If you have driven by TSH lately you may have noticed both pools are completely drained and are being resurfaced and all the concrete decking has been pulled up and is being prepped for fresh concrete! We're excited about these improvements and can't wait for opening day on May 23. Your pool is going to look amazing!

2014 closed with concerns for our pool surfaces, drainage issues surrounding the pool decks and the overall interior condition of the bathhouse and plumbing. To carry us through our five year

plan for major improvements, the board approved a \$200 assessment of each member. We believe this investment will ensure that fun will continue for many years to come.

Next year we have an open position for Treasurer/ Membership— please contact the board if you, or someone you know, is willing to serve.

Our thanks to Carson Anderson for his time and energy serving as a member at large; we welcome Lee Bledsoe as an at-large board member.

Thank you for your continued enthusiastic support! Please feel free to contact any of us on the Board at any time. We are excited to dive into another great year!

Improvements being completed by Opening Day include:

- **Plumbing:** Renovations to resolve the ongoing sewage problems (toilets stopping up, etc.). In addition, replace and install a new hot water heater.
- **Bathroom Renovations:** Minor updates to the aesthetics and to create a more user friendly space.
- **Baby/Toddler Area Improvement:** Replace the existing aluminum shade structure in the baby pool area
- **Main and Baby Pool Re-plastering**
- **Main and Baby Pool Deck Resurfacing**

New Management Company to Oversee Pool Staff and Operations

The Swimming Hole did not renew the agreement with our current pool management company, pH Pools. The Board voted to move forward with Swim Club Management Group (SCMG). They are a local Huntersville company that manages over 100 swim clubs and brings a wealth of knowledge to The Swimming Hole. SCMG services are comparable to pH pools, in that they provide a turn-key service by maintaining our physical systems, personnel needs, daily summer service and winter maintenance. The goal by changing companies is to improve timely resolutions of issues, strengthen the effectiveness of communication, and make for a successful relationship. To learn more about SCMG, please visit their website at www.swimclubmanagement.com

Punch Cards Offer Convenience

Punch Cards are an easy way for you to buy popsicles and drinks at the snack bar and pay for guest fees. Punch cards are available for purchase with increments of .25 cents and \$1 amounts! Punch cards cost \$15 and you receive a \$17 value on your card. Cards will be available for purchase in the snack shack.

You can also order and pay for punch cards with the return of your 2015 membership dues. To purchase cards or for questions, email swimminghole@outlook.com.

**Note: Punch Cards are your responsibility.
TSH cannot be responsible for lost or stolen cards!!**

Dive and Swim Teams Return in 2015

CAROLINA DIVING ACADEMY
Huntersville Family Fitness & Aquatics

Our Swim and Dive Team return this summer for kids 18 and under! We are thrilled to be partnering with Carolina Dive Academy again. There is a place on the team for every swimmer or diver – from the beginner to the experienced. Whatever your skill level, we can help you improve!

The Swimming Hole Dive and Swim Team will be a fun, social and exciting activity to be involved in this summer. Children are welcome to participate on both Swim & Dive Teams. Look for schedule information coming soon to TSH website.

Swim or Dive Team: \$100 child (additional child \$75)
Swim and Dive Team combined: \$175 child (additional child \$150)

To help us gauge interest and determine staffing and coaches, please email swimminghole@outlook.com with your child(s) name, age and swim level (beginner, intermediate, advanced.)
